---

When you need spare parts or support in service questions, warranty issues, etc., please consult the following professional:

This manual belongs to the machine with the manufacturing number:	Engine	Transmission

**Manufacturing Number**

The machine's manufacturing number can be found on the printed plate affixed under the seat on the right side of the frame.

Stated on the plate, from the top are:

- The machine's type designation (I.D.).
- The manufacturer's type number (Model).
- The machine's serial number (Serial no.)

*Please have the type designation and serial number available when ordering spare parts.*

The engine's manufacturing number is on the head cover.

The plate states:

- The engine's model.
- The engine's serial number.
- The engine's type.
- Code

*Please have these available when ordering spare parts.*

The wheel motors and hydrostatic pumps have a barcode decal affixed on the top.
